RE: IRB Proposal #2022-0405
TITLE: A Multifactorial Analysis of Physical Therapist Practitioners Ordering Radiographs

Dear Jennifer:

Your proposal, entitled “A Multifactorial Analysis of Physical Therapist Practitioners Ordering Radiographs” was considered under IRB Guidelines for full review. The IRB Committee of Bryant University approved the proposal on April 5, 2022. The IRB Committee also granted a waiver of HIPAA authorization based on the documentation you provided.

Bryant University is strongly committed to adhering to the basic ethical principles related to the conduct of research involving human subjects as set forth in *The Belmont Report: Ethical Principles and Guidelines for the Protection of Human Subjects of Research*. The submission of your proposal to the IRB Committee supports the goals of Bryant University and the IRB Committee and ensures that research involving any members of the Bryant community is in strict accordance with these ethical principles and guidelines.

Thank you for your submission, and good luck with your research.

Very truly yours,
